## Westbury Pool Opening Summer 2024

After two summers of being closed, we are very excited to announce that the Westbury Pool WILL be open this summer! The City will have their grand opening event for the 2024 Aquatic Season at Westbury Pool on May 25. More details will be shared on the Westbury website, [www.westburyhouston.com](http://www.westburyhouston.com), and the Westbury Houston Facebook page.

### Westbury Pool Opens May 25

The Westbury Pool will be open Saturday, May 25, for the Memorial Day Weekend. The pool WILL be open on Memorial Day, Monday, May 27. The pool will be open weekends only until June 11. As of press time, the City has not posted pool operating hours for 2024. For pool opening times, check out the Westbury Houston website or Facebook page. The pool opening times will be in the next Crier.

### Water Fitness Classes Start June 7

The very popular water fitness classes are coming back to the Westbury Pool. The water fitness classes will be held every Wednesday and Friday from 6-7PM. You can start registering for the classes on May 20 at 8AM via the City website.

# A MESSAGE FROM THE WESTBURY CIVIC CLUB PRESIDENT

This month let's chat about "The Good, The Bad, and The Ugly," Westbury edition. I will start with The Ugly. The dilapidated and vacant Spring Village apartments, near Westbury High School, are an eyesore and unfortunately will continue to be so for several more months until the city demolishes them. The vacant buildings have attracted mischief and two fires have had to be put out by the fire department. The ugly situation attracted the news media and was featured on local television. Now, here is what I love about Westbury residents. Every single Westbury resident interviewed by the news reporter acknowledged that the buildings were a big problem, but then each person mentioned that they were looking forward to the future use of the property for greenspace and eventual stormwater detention. Despite the Ugly, each person was looking to the good that was coming in the future. Our local representative on city council, Martha Castex-Tatum, mentioned to me that she was impressed by the positive attitude of our Westbury residents, since she had anticipated the interviews would all be furious and highly negative.

The next Ugly I will mention is the rundown Westbury Square shopping center, located in the commercial heart of Westbury. It is up for sale (again) with a new realtor. I have no idea if the owner will sell the property, but at least there is an opportunity for change. I talked to the realtor and told her the community would look forward to a quality development at the site. Another Ugly nearby is the former 99 Cent Store, which had fire damage just before the

entire chain went bankrupt and made the decision to close all stores. That location had previously been a grocery store (H-E-B) and a pharmacy. Surely someone reading this article knows someone who has a fantastic idea to implement in that commercial space that would be an asset for our community. If so, speak up and let's get something in that empty space.

Now to the Bad, Sergeant Derkowski, who heads up our paid contract with the Harris County Precinct 5 Constables, informed the WCC of a spate of car burglaries in Westbury, all in a single night. Please make sure that you always report crime, no matter how small, to our Westbury Area Patrol Constables. We, as a community, are PAYING the Constables to patrol our city streets and major thoroughfares. Don't be shy about using their services. When you call in to report crimes, even small crimes, you are helping law enforcement to know when and where crime is happening. Law enforcement uses crime statistics to know when and where to patrol and when to add extra deputies. It is best to report crimes as soon as possible. Our Constables are fully certified law enforcement officers. They work closely with our local Houston Police Department, and any crimes that qualify are also entered by the Constables into the HPD crime database. The Constables have a LIDAR to detect vehicle speeds on our major roads to catch speeders, which has successfully been lowering the amount of speeding here in Westbury. Every month, the Constables have arrested drivers for Driving Under the Influence in Westbury; sometimes, these drivers also have drugs or guns in the vehicles. The monthly fee

that we pay to the Constables for these services are the biggest expense of the Westbury Civic Club, and the cost will be going up on October 1. We really, really, really need for you to contribute to the Westbury Area Patrol so that we can continue to provide this important service for our residents. If we do not have sufficient funds, then we will have no other alternative than to cease the program and drop our contract when it renews in October. Since most of our residents have voluntary dues, any voluntary contribution is greatly appreciated and needed to continue this vital program.

I have saved the GOOD for last, since that is the fun stuff. The Dr. Shannon Walker Library in Westbury will be opening on June 1. I have confidence that our library location will be one of busiest and most popular branches in all of Houston. Make a point to drop by to see the new library and enjoy its services. In April, I attended the official ribbon-cutting ceremony for the new trails at the Willow Waterhole that have been completed by Harris County Precinct One Commissioner Rodney Ellis around Westbury Lake. The new trails are amazing. My husband and I go frequently to walk and to do birdwatching over at Willow Waterhole and to enjoy peace and beauty while in nature. If you haven't been yet, then I encourage you to visit.

Summertime is approaching and schools will soon be out for summer vacation. I hope everyone has a fantastic summer here in Westbury!

Cindy Chapman

## March 2024 Board Notes

- ◆ Public Safety – Sgt. Derkowski from Harris County Precinct 5 Constables, Westbury said there has been an uptick in package thefts. The Constables arrested 7 people in January, 7 in February, and none so far in March, primarily for DWI.
- ◆ Guest Speaker, TX Rep Shawn Thierry, discussed the process to pass a bill in the Texas House. Some bills she worked on included: more punitive damages for financial scams, medical coverage for maternity increased to 12 months, silent panic alert technology, lower tax bills. There is a runoff election on May 28, with early voting May 20-24.
- ◆ Guest speakers: Richard Nyugen from Solid Waste, said they need more drivers. Candidate Lauren Ashley Simmons provided a summary of her background and is running for Texas House. Brian Pendleton from Precinct 4 encouraged people to provide comments about the Master Plan for Bayland Park.
- ◆ WAIC (Westbury Area Improvement Corp), has been awarded \$7,000 for 2 Mini-Murals in Westbury. They are working to refresh the Westbury Revitalization Study from 1995.

## April 2024 Board Notes

- ◆ Public Safety – Sgt. Derkowski from Precinct 5 Constables provided security update. The Constables arrested a DWI suspect for drugs and guns. They have spent many hours doing traffic enforcement for speeding this year.
- ◆ Guest Speaker –Martha Castex-Tatum, Mayor Pro Tem/ District K, announced library is opening on JUNE 1! Update on Spring Village Apts., events, and Q&A. See page 7.
- ◆ Guest Speaker – Brian Norwood from Commissioner Ellis Precinct 1 – gave handouts. WCC thanked Precinct One for the new trails they built at Westbury Lake at Willow Waterhole.
- ◆ Treasurer Report – a firm has been hired for annual financial review and WCC taxes. Monthly expenses are about 30,000. Most expensive cost is the contract with Precinct 5 Constables. The cost of the Constables is going up on October 1.
- ◆ Discussion about Community Outreach and branding.
- ◆ Board approved via email to write letter of support for Hillcroft Trail.

## Support the Westbury Civic Club Pay your 2024 Voluntary Dues TODAY!

Westbury is a unique neighborhood with the majority of the 5,000 homes having voluntary dues. Only about 450 homes in Parkwest 1 and Parkwest 2 have Mandatory Assessments. The active participation of volunteers and yearly dues contributions help the Westbury Civic Club achieve our goal and remain active in the City of Houston. The total voluntary dues requested for 2024 is \$385. This includes the WCC Dues and Westbury Area Patrol.

**PLEASE NOTE:** All homes are subject to the deed restrictions whether the dues are paid or not. All sections of Westbury and Parkwest have ACTIVE deed restrictions.

### How To Pay Your Dues/Assessments

There are several ways to pay your dues or assessments.

1. Activate your NEW online portal and pay directly online either via credit card or bank account.  
\*Once your account is activated (the WCC office must approve), you can view invoices, make payments, setup payment plans, make requests, view calendar and much more. Use the this handy QR to start your online account today!
2. Hand deliver\* or mail a check to the WCC Office.  
5322 W. Bellfort, Suite 100, Houston, TX, 77035  
Make checks payable to the Westbury Civic Club  
\*There is a drop slot located at the bottom of the WCC office door.
3. Pay via PayPal. You may choose a specific amount or use the custom payment option to enter any amount or additional donation. You can find the link to our paypal page on our new website, [www.westburyhouston.com](http://www.westburyhouston.com).

2024 WESTBURY VOLUNTARY DUES

### Westbury Civic Club Dues - \$60

The WCC has been vital in keeping Westbury a desirable neighborhood over the past 60 years. The WCC helps maintain 7 miles of esplanades, issues the Westbury Crier monthly newsletter, enforces deed restrictions, provides community events and acts as a very important liaison with the City of Houston while advocating for Westbury. In a City the size of Houston, it is important to make sure you have someone representing you and your neighborhood. The WCC has done a good job of maintaining Westbury for over 60 years. Your contribution helps covers everything needed to operate and maintain the services we provide, this includes office rent, utilities, insurance, postage, printing, legal and professional fees, salary, etc. The WCC has one employee and all other work is done by Westbury board member volunteers, this allows us to keep our costs lower.

### Westbury Area Constable Patrol - \$325

The WCC has a contract with Harris County, Precinct 5, Contract Deputy Program to patrol Westbury and provide 24-hour response. This program is referred to as the Westbury Area Patrol (WAP). The WAP currently consists of three Constables (2 Deputies and 1 Sergeant) that are assigned patrol Westbury daily. The Contract Deputy Program is designed so that even when a Westbury deputy is unavailable, the next closest Pct. 5 Constable will be dispatched. Several of our bordering neighborhoods (Meyerland, Maplewood, and Marilyn Estates) also participate in the Pct. 5 Contract Deputy Program, so deputies are typically nearby at all times.

The Harris County Pct. 5 Constables are certified peace officers, licensed by the State of Texas to enforce the laws of the State of Texas. The deputies are uniformed, armed and drive distinctively marked, emergency equipped, law enforcement vehicles. The Constables provide high visibility, rapid response to emergency and non-emergency calls, vacation watches, alarm monitoring, and home security checks. The WCC gets regular crime reports from our Sergeant to ensure that the WCC is kept up to date with crimes in our area.

## 2024 MANDATORY ASSESSMENTS

### 2024 Mandatory Assessments - \$290

Owners in Parkwest 1 and Parkwest 2 revised their deed restrictions in 1993 & 1994 to include Mandatory Assessments.

→ Properties in Parkwest 1 that have a new owner of record after the January 1, 1993, are subject to the Mandatory Assessment clause.

→ Properties in Parkwest 2 that have a new owner of record after the January 1, 1994, are subject to the Mandatory Assessment clause.

The Mandatory Assessments are due annually on February 1. The 2024 Mandatory Assessments are \$290. The WCC has launched our NEW online owner portal. This now makes it easy to view, track, and make payments online. The 2024 invoices for Mandatory homes will be mailed in January to the address on record. If you do not receive your invoice, please sign up for your new online owner portal (use the handy QR code to the left) to view a copy or email [westburycc@sbcglobal.net](mailto:westburycc@sbcglobal.net). If you have past due assessments and would like to set up a payment plan, please email the WCC office at [westburycc@sbcglobal.net](mailto:westburycc@sbcglobal.net).

## District K CM Martha Castex-Tatum at April WCC Meeting

The majority of Westbury is represented by Martha Castex-Tatum, who is the city councilmember (CM) representing District K and who serves as Mayor Pro Tem (which means that she was selected by Mayor Whitmire and City Council to represent the Mayor at meetings or events when he is not available). Here are some of the main topics she discussed at the April Westbury Civic Club meeting.

## NEW Westbury Library

The new Dr. Shannon Walker Library in Westbury is scheduled have its GRAND OPENING on Saturday, June 1, 2024. The time has not yet been announced. Astronaut Dr. Shannon Walker has notified the city that she plans to attend the Grand Opening event. The director of the city library system has resigned and the library system now has an interim director. Mayor Whitmire has mentioned that he would like to investigate combining library services with Harris County.

## Spring Village Apartments

At the time of the April meeting there had been two fires at the vacant apartments, and the buildings and gates continue to be open. CM Martha Castex-Tatum said that she has discussed the ongoing problems with the Mayor, the city Housing Director, the fire department, and the police department. The city used federal funds to purchase the apartments for greenspace and future stormwater detention to alleviate flooding. Due to the ongoing problems and dilapidated state of the buildings, the city will board it up and fence it next week. The city is trying to expedite the contracts to be able to demolish the buildings. It is our understanding that there are three contracts involved: environmental monitoring, abatement, and then for demolition, and that the contracts may be ready for approval by City Council in early May. If all goes well, then the demolition may start this summer.

## Willow Waterhole

The trails along Westbury Lake have been completed and are now open. The ribbon cutting was on April 13.

## Infrastructure

The supply of paint for crosswalks had been on back order; now that the paint is back in stock, District K has submitted requests for several crosswalk locations across District K to be refreshed. Work on the Spellman Detention project by the City is starting soon.

## Illegal Dumping

District K has 12 cameras it uses to monitor and cite violators for illegal dumping.

## City Water Leaks

When asked about several long-time leaks in the Westbury area, CM Castex-Tatum noted that the locations were on the city work list, but not on the highest priority.

## City of Houston Hiring Lifeguards

The Houston Parks and Recreation Department is hiring lifeguards for the summer 2024 season. There is a \$500 incentive bonus to work throughout the summer. Candidates must be 16 years old by May 31, pass a swim evaluation, have a government issued picture ID, and submit an online application.

More information is available at 832.395.7129 or [www.houstontx.gov/parks/swimming.html](http://www.houstontx.gov/parks/swimming.html)

The Westbury Pool will be open for the 2024 summer season. See page 1 for more information.

# KEEP WESTBURY BEAUTIFUL

It was another wonderful Keep Westbury Beautiful volunteer work day. A big thank you to Jennifer Edmondson and Laura Falk, who designed the Westbury Park butterfly garden 10 years ago for Keep Houston Beautiful Day 2014. Work done by volunteers each year on Keep Westbury Beautiful Day, under Jennifer's direction, keeps the butterfly garden growing and thriving.

We couldn't do this work without youthful workers. Many thanks to Jennifer Kuhleman for bringing the Bellaire National Honor Society students to work on the garden. We also had students from St. Thomas High School, Meyerland Middle School and a home-schooled student. These students worked to enhance the garden along with six WCC board members: Cindy Chapman, Marcia Hartman, Matt Funk, Jennifer Edmondson, Becky Pate, and Becky Edmondson. Tools were supplied by the Willow Waterhole Greenspace Conservancy, thank you Brett Byers and Bill Burhans.

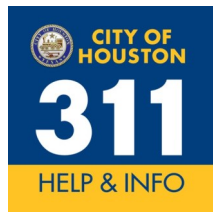

The butterfly garden was weeded, trees trimmed, and new plants were added. Several pavers and a border were added to the front to help guide foot traffic on the pavers and let plants grow better. The whole park area was de-littered and the curb gutter along Stillbrooke, which was full of leaves and muck, was shoveled clean. Thank you to Tom Gwilliam, who picked up supplies to de-litter Hager Park.

Mayor Pro-Tem Martha Castex-Tatum presented a certificate of appreciation. The District K HOT team picked up the branches that had been trimmed. Alan Steinberg of Keep Houston Beautiful came by to say thank you.

And one final thanks to The Westbury Area Improvement Corporation for allocating \$500 to pay for the plants, mulch, dirt, and pizza.

# The 2024 WESTBURY HIGH SCHOOL GALA

## Support Local Schools

The Westbury High School Scholarship Gala, Dinner and Silent Auction returned for the first time since 2019. In its 23rd year, the Gala is hosted by the Friends of Westbury High School Foundation. The 2024 Gala celebrated 12 deserving Westbury High School seniors, each received \$3,000 scholarships. The WHS seniors receiving scholarships were: Elizabeth Bravo, Chelsea Romero Carino, Betsaida Coreas, Quan Ho, Xavier Johnson, Irais Luna, Iyinoluwa Ojo, Ana Rojas Pena, Renee Renteria, Logan Reta, Cesar Rodriguez Sosa, and Noa De Jesus Vazquez. Congratulations to these hard-working Westbury High School students!

Each year the Friends of WHS Foundation choose several school and community members to honor in addition to the students. This year our District K Councilmember Martha Castex-Tatum was honored as the outstanding community member. She awarded a scholarship in honor of Shannon Walker to Irais Luna who plans to study Astro Physics. Former WHS Parent Engagement Liaison, Jeri Brown, was honored as a WHS faculty member. She awarded several of the Rising Star scholarships.

Two WHS Alumni were honored at the Gala, Rusty Howard and Fred Arnold, both were long time volunteers of the WHS Friends. Each had scholarships awarded in their memories. Former WHS English teacher, WHS tennis coach, and WHS principal, Chet Smith, was also remembered with a scholarship awarded in his memory.

The WHS Friends group thanks all the Westbury residents who donate their time, talent, and treasure! If you want to learn more about this group, visit [www.friendswhs.org](http://www.friendswhs.org).

## PARKER ELEMENTARY AND WESTBURY HIGH SCHOOL HOUSTON ART CAR PARADE

Parker Elementary School and Westbury High School both entered cars into Houston’s Annual Art Car Parade. Super big shout out to Westbury High School, who won an award for their car, The Put More Stuff On It Award! AWESOME!!!

This is the first year that Westbury HS created an art car. WHS art teacher Victoria Tarkington was awarded an old car by Gillman Automotive Group to use for their art car. Seven WHS students worked on the winning art car, whose theme was “Adventures of Huskies at Willow Waterhole”. The car featured a large husky school mascot sculpture, covered in mirrored surfaces and items to represent nature images of the school’s neighbor, The Willow Waterhole. Congratulations to Ms. Tarkington and the WHS students that worked on the car. WHS art car award is pictured to the right.

The Parker Elementary art car had a space theme and an actual astronaut! THE Dr. Shannon Walker herself, namesake of the new Dr. Shannon Walker library in Westbury, joined students on the Parker Elementary art car trailer. The Parker art car featured a sculpture of a space shuttle.

## Soccer Field for Westbury HS

A soccer field was part of the 2012 bond improvements for Westbury High School. The tennis courts were built on one portion of the open rectangle and the other half was slated to be a soccer field. However, the contractor left the field littered with concrete and rebar making the land unusable as a soccer pitch. Now seven years later, Bill Burhans, after many years of lobbying, finally found the contractor who agreed to clear the field. This happened last month. We appreciate not only Bill's efforts, but the contractor for doing the right thing.

Now we are ready for phase 2, which is to level the field and sod it. The estimate to do this phase is around \$55,000. We have identified a source that may contribute \$40,000; we've raised \$1,025 from the community and are starting a campaign to raise more.

The adjacent tennis courts, built as part of the bond, are beautiful. The boy's baseball field and the girl's softball field, both built with funds from that bond, are beautiful. We'd like to give soccer the same.

WHS is 70% Hispanic and it is wrong not to have a dedicated soccer field (pitch) for such a very popular sport. Especially given that the land was allocated for a soccer field.

If you would like to contribute to this effort to bring a proper soccer pitch to Westbury High School, please send your donation to Friends of Westbury High School Foundation, P O Box 31386 Houston, Tx 77231-1386

## Spring Creek Apartments

Did you see Miya Shay's piece on ABC 13 about the conditions at Spring Creek Apartments located in Westbury? Nearby neighbors will be glad when this eyesore, that has been the scene of two recent fires and many break-ins, is gone. The land will become greenspace and eventually much needed detention when the city begins the storm water reconstruction projects in that section of Westbury.

As of April 17, the City of Houston was in the process of completing three contracts on behalf of the Housing Department for the demolition of Spring Creek Apartments on Chimney Rock at Ludington. One is for environmental monitoring; one for abatement, and the final contract is the demolition. They anticipate these three contracts being on the agenda in early May.

## Drive Around Westbury Problem Areas

Representatives from the Westbury Civic Club and Westbury Super Neighborhood periodically do a drive around with a representative from the city to inspect problem areas and city violations in the Westbury area. We are fortunate to have Veronica Hernandez, from the City Mayor's Assistance Office, to participate with us in the drive-arounds. Veronica has years of experience working with the city. During the area tour, we looked at both residential and commercial locations.

We looked at some isolated locations that have had problems with illegal dumping. We looked at businesses that have had ongoing issues with trash on site, dumpster issues, or donation bin problems. We identified residential areas that had trash violations, unkempt yards with grass that exceeds allowable height by the city, and yards that had vehicles parking in the front yard in violation of the city Prohibited Yard Parking ordinance that is in effect in the Westbury area. Veronica took careful notes and photos and will work with city inspectors to follow up on the issues.

## May 28 - Primary Runoff Election

The primary runoff for candidates, who will be on the November ballot, is scheduled for May 28. The Senate District 15 seat is a run off between Molly Cook and Jarvis Johnson. Texas House of Reps District 146 is in a run-off between incumbent Democrat Shawn Thierry and challenger Lauren Ashley Simmons. # Infrastructure Updates

You may have noticed a flurry of infrastructure activity in Westbury. District K has paid for crosswalks across the District to be refreshed with new paint, including several locations in Westbury near schools and bus stops. Thank you, Mayor Pro Tem Martha Castex-Tatum of District K!

The City Public Works Department has been busy working on a local stormwater drainage improvement project in Parkwest 2, with an intent to improve street drainage in the area of Rampart and Willowbend and Ashcroft. The city is installing larger drainage inlets at the street curbs, larger underground drainage piping, and revising the channel connection. This area has long had a problem with slow draining water after rainfall. We look forward to seeing some improvements.

The city has also started construction of a new stormwater detention site upstream of the Westbury area, located on West Bellfort between Hillcroft and Fondren, along the "Fondren Diversion Channel". The city is using federal funding for this work. After completion by the city, the detention site will be maintained by the Harris County Flood Control District (HCFCD). This will be a dry bottom detention site, meaning it is designed to hold water after rainfalls and will not routinely hold water .

The HCFCD has been making good progress on new detention along Brays Bayou, downstream of Westbury, on North Braeswood at the site of the former Meyer Grove apartments. This detention site is designed to always contain water at the lowest level.

## The Harris County Constable Program An Editorial by Becky Edmondson

Did you see my picture on the front page of the Houston Chronicle on March 24, 2024? The Chronicle was doing a series of articles about the Harris County Constable program. Back in 2020, the Harris County Commissioner’s Court was talking about cutting the Constable patrol program. Commissioners court was packed with people protesting this move and the idea was tabled. It is now an issue again with talk of making the program so expensive that many neighborhoods will no longer be able to afford it. This past month Commissioners Court approved a 6.6% increase which will take the cost of the Constable’s program beginning in October to \$300,000 a year for Westbury.

This attack on the Constable program is a real danger to neighborhoods across the city that rely on these deputies. HPD is woefully understaffed. Precinct 5 deputies are on our streets every day. They are responding to phone calls, working traffic, visible law enforcement. For even what HPD deems “low priority calls,” the Constables are minutes away, not hours away.

Here in Westbury the Constables respond to hundreds of calls a month. Won’t you please pay your dues so that we can keep this very important program? If you sign up through PayHOA, you can easily set up a regular monthly payment. Have questions about the owner portal? Contact the WCC office at westburycc@sbcglobal.net.

## Security & Crime Update

Sgt. Derkowski reported multiple Burglary of Motor Vehicles (BMV) in late April. If your car is targeted, please call the Pct. 5 dispatch, 281-463-6666, and report it so they will know where to concentrate their patrols. When Pct. 5 takes a report they also send it to HPD, and it will get a HPD case number.

Items Stolen – Wallets stolen from unlocked vehicles. AirPods and Beats were some of the visible items stolen from locked cars that had windows were broken.

In late April, the string of BMVs were along Hillcroft from Willowbend to West Bellfort and west of Hillcroft on Carlotta and Willowbend.

**8TH ANNUAL TOMATO TASTING FESTIVAL**  
**SATURDAY, JUNE 1, 10:30 – 12:30**  
**WESTBURY COMMUNITY GARDEN PAVILION**

Attention all tomato lovers and growers, you don't want to miss this popular neighborhood fundraiser event at Westbury Community Garden! The 8th annual tomato tasting will be held on Saturday, June 1, from 10:30AM to 12:30PM.

For a \$15 donation, participants receive a Tomato Scorecard and may sample over 25 varieties of tomatoes of all shapes, sizes and colors in a blind taste test. Make notes and choose your favorites in the cherry, plum, saladette, and slicer categories, and then vote for your favorite tomatoes. Tomato growers will be on hand to share pro tips that will help you choose which varieties you want to grow next year.

In addition to tasting lots of tomatoes, the event will feature fish bowl raffles where participants may win garden tools, yard art, restaurant gift cards, gourmet items, and much more. Raffle tickets are \$1 each or 12 tickets for \$10.

## New Trails Completed Ribbon Cutting

A ribbon cutting was held on April 13 to celebrate the completion of new trails at Westbury Lake in the Willow Waterhole Greenway. In attendance on a beautiful morning were representatives from the: Harris County Precinct One Commissioner’s Office, Harris County Flood Control District, Harris County Engineering Department, District K Councilmember’s Office, Houston Parks and Recreation Department, SPARK Parks, Brays Oaks Management District, Westbury Civic Club, Westbury High School, Neighborhood to Trails Southwest, and the Conservancy.

In 2017, the Commissioner’s Office launched their Park Smart Program. The Program’s mission was to identify underserved areas in the Precinct and make investments to create equitable accessibility to parks and greenspaces. The Willow Waterhole Greenspace Conservancy attended public meetings and put forth proposals to the Commissioner’s Office for an investment in trails at the Greenway.

In early 2021, Commissioner Rodney Ellis announced a \$2.7M investment to build 3.5 miles of trails at Westbury Lake in the Greenway, and in 2022, the construction contract was approved by Commissioner’s Court. Construction started in July 2023 and was recently completed.

In late 2021, the Kinder Foundation announced a \$4M grant to the Conservancy for accessibility projects at the Greenway. With the two leading investments, the Conservancy launched their Discover your Greenway Capital Campaign. As of today, public and private investments total \$12M and accessibility projects include eight miles of trails, four new parking areas, safer street crossings, a pier, and development of a native coastal prairie preserve.
